To Judge Lashann DeArcy Hall,

I have been detained since June 2019. I have never looked at any discovery neither has it been provided to me. My lawyer James Darrow says it is classified. I know that's not true and I know he is lying to me. And he was constantly pressuring me to plead guilty and he threatened me that I would get 20 years if I went to trial. I would like a speedy trial as is the constitutional right provided to defendants. My lawyer may file pretrial motions as relevant but I object to any exclusion of time on the speedy trial clock. If he is unable to do so I request a change of counsel who is able. My priority is the trial. If att. counsel is unable then I wish to proceed to trial and reserve the right to file motions post-trial as allowed by law.

Sincerely,  
Ashiqul Alam
